# TRANSFORMATIVE LAW TEACHING

## RAISING THE BAR IN LEGAL EDUCATION

**Fri. & Sat., January 5 & 6, 2018 \* University of San Carlos, Cebu City, Philippines \* 9:00AM to 5:00PM**

Consistent with its commitment to uplift the standards of legal education in the Philippines, the Philippine Association of Law Schools, in collaboration with the Center for Global Best Practices, invites you to participate this pioneering two-day seminar that aims to present new law professors with best practices in teaching law, and introduce experienced law professors to innovations in curriculum development and teaching methods. This is designed to improve the overall teaching performance of law educators by exposing them to learner-centered, outcome based education, an array of teaching methods, classroom management and more! In this faculty development program, we bring together authorities in legal education and seasoned educators on a rare opportunity to help you hone your teaching skills for effective learning in law school.

### **Who Should Attend:**
